Dear Mr. Nelson:

Enclosed please find a resubmitted copy of CERT's comments to the previous reclamation plan submitted by Anaconda. We feel that they are still applicable to the plan submitted to the Pueblo by Anaconda on March 16, 1982.

It is our intention to meet with Anaconda during the middle part of May so that we may discuss the reclamation plan. Please feel free to contact me as this matter progresses.

Sincerely,

PUEBLO OF LAGUNA
